About Page-

Skills Page-

The screenshot shows a dark-themed portfolio website. At the top, a red header bar contains the name "RISHU". Below the header, a title "My Skills & Projects" is centered. Three project cards are displayed in a row:

- Portfolio Website**: A personal portfolio website created using HTML5 and CSS3. Features a fully responsive design, flexbox layout, and CSS variables for theming.
Tags: HTML5, CSS3
- E-Commerce Website**: A front-end website for an online store. Includes product cards, navigation, and a shopping cart layout designed with grid.
Tags: Flexbox, Responsive
- To-Do list**: A Webpage which has a dynamic layout of todo list from where you can add, delete and also can edit the text in the list text area.
Tags: UI Design, Layout

At the bottom of the page, a small copyright notice reads: © 2024 Student Portfolio. Designed with HTML & CSS.

Contact Page-

The screenshot shows a dark-themed contact form page. At the top, a red header bar contains the text "DEVPORTFOLIO". Below the header, a title "Get In Touch" is centered. The form consists of four input fields:

- Name**: An input field with placeholder text "Enter your name".
- Email**: An input field with placeholder text "Enter your email".
- Subject**: An input field with placeholder text "Project Inquiry".
- Message**: A text area with placeholder text "How can I help you?".

At the bottom of the form is a red button labeled "Send Message". A small copyright notice at the very bottom reads: © 2024 Student Portfolio. Designed with HTML & CSS.
